

Adjustable End Chute

Product Description

Price: \$99.75 each

Our universal Adjustable End Chute mounts to the lower "T" slots of SmartMove®'s AX Series Conveyors. This simple low friction UHMW chute can be adjusted to multiple angles and heights to help transfer products from the end of the conveyor into hoppers, bins or tables.

For other transfers, please see End-to-End Transfer Plates and End-of-Line Transfer Plates.
